GH300

电竞头戴耳机

用户手册 USER MANUAL

■ Preface

Dear Customer,

Thank you for purchasing Liberty Gamer GH300 Gaming Headset. In order to better understand and use the product, please read this manual carefully. If you have any questions or suggestions, please contact our local dealer.

■ Features

- 7.1CH virtual surround to expand the sound field and bring the ultimate gaming immersion.
- Responsive ø50mm NdFeB-magnet drivers with wide frequency response and high dynamics.
- · Integrated mic for clear in-game communication.
- Experience high-fidelity gaming audio, tackle enemies with pinpoint accuracy.
- · About 16.8 million RGB colors to light up the vibes.
- · Ergonomic, suitable for various kinds of head shapes.
- Adaptive suspension headband and soft skin-friendly earpads for long-wearing comfort.

■ Package Contents

Gaming Headset	1PC
Hear Manual	100

■ Application

PC/Mac with USB port

System Requirements

Windows7 or above, OS X 10.9 or later

Specifications

· Driver: dynamic

Driver Diameter: Ø50mm
Driver Impedance: 32Ω±15%

· Headset Frequency Response: 20Hz-20kHz

· Headset Sensitivity: 103±3dB

Rated Power: 20mW

· Peak Power: 30mW

· Polar Pattern: omnidirectional

Mic Sensitivity: --42±3dB

Connection Cable: Ø4.2mm×2.5m

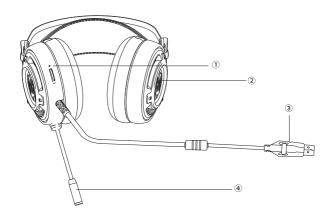

Connector Type: USB

· Weight: about 380g

Note: The above data are measured by Takstar laboratory, and Takstar has the final interpretation right!

■ Operation Instructions

1. FUNCTION

- ① Volume Knob: turn towards [+] to increase volume level, or towards [-] to decrease
- 2 RGB Lighting
- ③ USB Cable
- 4 Integrated Mic

2. DEVICE CONNECTION

Connect the headset to the computer USB port via the included cable.

Note: The USB port should be a high power interface (USB2.0 or above). USB

ports on old-style keyboard and display may not support high-power devices.

3. DRIVER INSTALLATION

Please download the driver from www.libertygamer.com.

By using the driver software, you can gain full access to:

Headset audio settings

Microphone audio settings

7.1 Surround settings

(Can be installed on PC running Windows 7 or later)

Note: To use 7.1 Surround, you must enable it in the driver software.

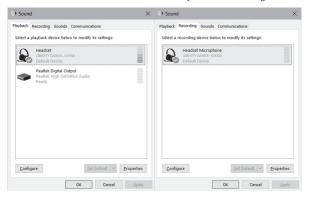

Otherwise the headset uses stereo mode by default.

4. SYSTEM SETTINGS

Windows:

Navigate to Control Panel \rightarrow Hardware and Sound \rightarrow Sound, and set "LIBERTY GAMER-GH300" as default device under both Playback and Recording tabs.

Mac:

Navigate to System Preferences → Sound, and select "LIBERTY GAMER-GH300" under both Input and Output tabs.

■ Correct Operation

For safe and comfortable operation, please read carefully and abide by the following items:

- To avoid hearing loss, set the volume of the player to minimum before connecting the headset. After putting the earphone on, increase the volume to a proper level. Noise is measured in decibels (dB). Any outside noise of 85 decibels or more will cause gradual hearing loss.
- 2. Please pay attention to your operation habits! Volume and duration are proportional to hearing loss. The higher the volume, the shorter the time you should listen; the more comfortable the volume is, the longer you can listen. Listening at high volume for long will cause damage to your hearing. This dB level chart compares some common noise sources and their potential.

This dB level chart compares some common noise sources and their potentia danger to your hearing:

Sound Source	Noise Level	Consequence on Hearing		
Whisper	30dB	Very quiet		
Quiet office	50-60dB	Comfortable hearing level is below 60dB		
Vacuum cleaner /hair dryer	70dB	Somewhat invasive and may interfere with phone calls		
Food processor	85-90dB	85dB (continuously 8 hours) will begin to hurt hearing		
Garbage cleaning machine/ cement mixer	100dB	Exposure to sound of 90~100dB is suggested to be within 15 minutes if without protection		
Electric saw /electric drill	110dB	Frequent exposure to over 100dB for more than 1 minute can impair hearing		
Rock concert (subjective)	110-140dB	Painful hearing starts at about 120dB		

■ Maintenance

- The rated power of this headset is 20mW. Please do not operate it at overload status to avoid damage.
- 2. Please keep it in a dry and clean environment. During operation, prevent damage from water ingress, drop or collision.
- 3. Operating the headset in high temperature or high humidity for long can lead to device damage or shortened service life.
- Keep the headset away from strong magnet to avoid demagnetizing and decreased sensitivity and performance.
- 5. Do not use strong chemical or detergent for cleaning.
- 6. Do not scratch the product surface with sharp objects.
- Store in a clean, dry area if not used for a long period. Keep and use away from areas of high temperature and humidity.
- 8. Do not disassemble or repair the product by yourself to avoid injury. If you have any questions or require any services, please contact our local seller.

■ Cautions

⚠ DANGER

•To ensure your personal safety, do not wear or place the headset too close to the pacemaker (less than 10cm).	Prohibition

Keep away from fire to avoid explosion.	Prohibition

⚠ WARNING

Not a toy. Children should not use without adult supervision.	0	Implementation
Abide by relative safety rules during operation. Do not use it if prohibited by laws and regulations to avoid accident.	0	Implementation

■ Label Meanings

This symbol indicates that this product should not be disposed of with your household waste, according to the WEEE directive (2012/19/EU) and your national law. This product should be handed over to an authorized collection site for recycling waste electrical and electronic equipment (WEEE). Improper handling of this type of waste could have a possible negative impact on the environment and human health due to potentially hazardous substances that are generally associated with WEEE. At the same time, your cooperation in the correct disposal of this product will contribute to the effective usage of natural resources. For more information about where you can drop off your waste equipment for recycling, please contact your local city office, waste authority, or your household waste disposal service.
